17.2 Neither Institution will be liable for any indirect, or incidental, special or consequential damages as defined under Common law, including the loss of profits or revenue, incurred by Institution or any third party, whether in an action in contract or tort, even if the other Institution or any other person has been advised of the possibility of such damages, except due to losses for which either Institution is required to indemnify pursuant to clause 17.1 and due to a breach of either Institution's obligations under clauses 13 and 14 of this Agreement.
