The School of Kinesiology and Physical Activity Sciences at the Université de Montréal, a recognized leader in the field, is continuing its recruitment phase. We invite applications for a tenure-track assistant or associate Professor to join the dynamic multidisciplinary team of the school of kinesiology and physical activity sciences. For further information regarding our school and discover the effervescence of its departmental life, please visit our web site (https://eksap.umontreal.ca/recherche/).

As a professor, you will have the opportunity to contribute to the excellence of the School of kinesiology and physical activity sciences.

The candidate will have the opportunity to develop collaborations within the school of kinesiology and physical activity sciences, with researchers from other departments of the faculty of Medicine as well as from affiliated hospital research centers. As a professor of the school of kinesiology and physical activity sciences of the faculty of Medicine, the successful candidate will be expected to:

» teach at the undergraduate and graduate levels, supervise Ph.D. and Master’s students;
» pursue successful research programs, have a strong publication record in the areas of motor learning and control. The research program of the successful applicant is expected to complement the work of other professors within the School.
» contribute to the School’s activities and academic visibility

To succeed in this role, you’ll need:

» Ph.D. in kinesiology, exercise science, or an equivalent field,
» Experience in teaching / research in kinesiology, exercise science, or related field,
» An excellent publication record,
» Post-doctoral research training is an asset,
An adequate knowledge of the French written and spoken language or a strong commitment to mastering the proficiency level required, in accordance to Université de Montréal’s Language Policy. An institutional learning support program is offered to all professors wishing to learn French or improve their communication skills.

How to submit your application

We invite you to submit a letter outlining your interests and career goals, your resume, a copy of your diplomas, a copy of three (3) recent peer-reviewed publications and three (3) letters of recommendation from professors or supervisors to:

Université de Montréal is strongly committed to fostering diversity and inclusion. Through its Equal Access Employment Program, UdeM invites applications from women, Aboriginal people, visible and ethnic minorities, as well as persons with disabilities. We will –confidentially – adapt our recruitment mechanisms to the specific needs of people with disabilities who request it. We also welcome applications from candidates of all orientations and sexual identities. All qualified applicants are encouraged to apply; however, in accordance with Canadian immigration requirements, priority will be given to Canadians and permanent residents.

Université de Montréal's application process allows all members of the Professor’s Assembly to review the application files submitted. If you wish to keep your application confidential until the shortlist is established, please mention it in your application.
