The Faculty of Medicine of the Université de Montréal (UdeM) invites applications for a tenure-track faculty position to join its dynamic team of the occupational therapy programs in the School of Rehabilitation.

The successful applicant will work with a team of scholars committed to the development of occupational therapy and rehabilitation sciences. We welcome candidates who demonstrate interests for the principal domains of intervention in occupational therapy and can contribute to the advancement of the profession of occupational therapy through their research. To learn more about our program visit our website.

As a professor, you will have the opportunity to contribute to the excellence of the School of Rehabilitation.

Through your teaching and your research activities, you will ensure the visibility of your discipline in addition to actively participating in the operations of a renowned institution. As such, you will

- Teach at the undergraduate and graduate levels in occupational therapy
- Teach and supervise graduate students in rehabilitation sciences
- Pursue successful research activities in a field of expertise
- Fulfill responsibilities in the department’s academic committees and services
- Contribute to scientific and professional activities and the department’s visibility

To succeed in this role, you will need:

- A portfolio ensuring eligibility to obtain a permit from the Ordre des ergothérapeutes du Québec.
- A PhD in a discipline related to the field of rehabilitation or in a discipline related to occupational therapy.
- Experience as an independent researcher or postdoctoral research training prior to the date of hiring.
- University-level teaching experience or clinical practice experience in occupational therapy
- An excellent publication record.
- An adequate knowledge of the French language written and spoken, or a strong commitment to mastering the proficiency level required, in accordance with the Université de Montréal’s Language
Policy. An institutional learning support is offered to all professors wishing to learn French or improve their communication skills.

How to submit your application

We invite you to submit a letter outlining your interests and career goals, your resume, a copy of your diplomas, a copy of three (3) recent peer-reviewed publications and two (2) letters of recommendation from professors or supervisors to:

Dr. Bonnie Swaine, Ph.D., Director  
School of Rehabilitation, Faculty de Medicine, Université de Montréal  
Box 6128, succursale Centre-ville, Montréal, Québec. H3C 3J7

Université de Montréal is strongly committed to fostering diversity and inclusion. Through its Equal Access Employment Program, UdeM invites applications from women, Aboriginal people, visible and ethnic minorities, as well as persons with disabilities. We will –confidentially – adapt our recruitment mechanisms to the specific needs of people with disabilities who request it. We also welcome applications from candidates of all orientations and sexual identities. All qualified applicants are encouraged to apply; however, in accordance with Canadian immigration requirements, priority will be given to Canadians and permanent residents.

Université de Montréal’s application process allows all members of the Professor’s Assembly to review the application files submitted. If you wish to keep your application confidential until the shortlist is established, please mention it in your application.
